

Moreland Consulting, Inc. work incredibly hard to make the NCP Conference different. Something that you don't see in the million and one other conferences you have the opportunity to attend. In fact, it really shouldn't even be called a "conference" as that word conjures up visions of panel session after panel session, boring speakers, little time for meaty issues, and the after effects of wishing there had been more.

Instead, the National Compliance Professional Conference is a huge brainstorming & networking opportunity for industry professionals that really care about compliance & management and is a place where
YOU WILL GET:

- Ample time to discuss and dissect meaty issues;
- Discussion-based education on the hottest issues of the day;
- Realistic answers to your questions; and
- Networking opportunities with peers from all over the country who do what you do!!

Destination...

The 2017 NCP Conference will be held in **Madison, WI** on **October 11 & 12, 2017**. Madison is Wisconsin's Capitol city and is one of the most naturally beautiful metropolitan areas in the country. Surrounded by five glacial lakes and a world-class university, the city is an extraordinary blend of commerce, recreation and cultural opportunities. Plus it is my hometown and I can't wait to show it off to you!

Our conference venue, the **Madison Concourse Hotel & Governor's Club**, is a fantastic hotel with convenient access to the downtown area and the ever-popular State Street where you will find eclectic shops & a variety of nightlife. Beyond being a great meeting place, the hotel's amenities include...

- Ample meeting space so we can spread out while discussing the issues of the day.
- Multiple dining options including Circ Restaurant, The Bar & Starbucks to keep us fueled.
- A state-of-the art fitness center, indoor pool, whirlpool, sauna & men/women's locker rooms.
- Plus the option to reserve your room in the impressive Governor's Club that is located on the hotel's top three floors & includes access to its private lounge featuring stunning views of the Capitol as well as complimentary breakfast, hors d'oeuvres, dessert, and top-shelf cocktails.

And at the end of each day, you will find yourself only a short walk to live music, award-winning restaurants, fantastic theatres, comedy clubs, several museums and the acclaimed University of

Wisconsin. Because the area has so much to offer, we will be sure to put a list & map together so you can easily determine & locate what best suits you.

Hotel accommodations include the option to book on the premier level for **\$169 per night** or the Governor's Club level at **\$209 per night**.
